**FAMILY AND FRIENDS HOME CARE, LLP**, is a Disabled Veteran Owned Limited Liability Partnership that is family owned since 2013. It is owned by 3 Partners (2 Disabled Veterans who are still serving in the U.S. Army Reserves) and a non-veteran. All 3 Partners are highly educated and bring fourth a vase wealth of knowledge and experience, from the world Global Corporate Office, to the fields of medical, business and finance.

The ideal to make Family and Friends Home Care, LLP a non-skilled Private Duty Agency was determined by a committee of board members that is made up of accountants, legal advisors, analyst, and community leaders. In 2011, the board members determined that society has a major gap in providing services for our local veteran's. Seeing that need, we acted, putting us squarely in front of the Veterans Independence Act of 2015.

We are accredited by **ACHC Accreditation Commission for Health Care**. We have one local office located in Downtown Warren, Ohio that services 5 major counties: Trumbull, Mahoning, Franklin, Fairfield and Licking. We work with several VA Hospitals, and Clinics around state of Ohio and the boarder of Pennsylvania. We are constantly expanding our service areas by working with traditional hospitals, clinics, and many other resources throughout the state of Ohio.
